Player Report

- **Coach report**

It has been an outstanding 2010-2011 season for the Pearce Cup side. Not only did we win the overall Pearce Cup but we also managed to win the Premier Twenty20 title and the Premier One Day title. This meant it was a clean sweep of titles in Wellington club cricket; this is the first time in Wellington club cricket history that the “treble” has been won by one club. This was well deserved as we were clearly the best team in the competition in any format we played. This is evidence by being so far out in front with the points we had right the way through. We struggled at Nationals as the triumph of winning the Pearce Cup was not far from our minds; couple this with having to play nine days of cricket on the trot. Everyone was mentally and physically very tired. We tried our hardest but lost three close games which meant we were fifth in the competition and the fifth best one day side in New Zealand.

Next season we have the distinction of defending the above three titles in what was an even better season than the previous years. Last season we won two titles, this season we won three titles and it was the first time Karori have won the Senior Championship (Pearce Cup) in twenty four years and to beat Eastern Suburbs who had won it nine times in a row made it all the more satisfying. Last season was said to be the best Ktown season ever but I think this season we toppled that again. We have set the bar very high for next year where we will once again strive for all four titles.

My thanks to Frosty, Jeffy, and Alan for your support during the season and always being on hand to assist where required. All our supporters for putting up with us and giving us that boost from the sideline thanks also.

A massive thanks to the players for what will live in our memories forever, an unforgettable season where we reached great heights!

The squad that played throughout the season and contributed to us winning all three titles was:

Below is a note from our President David Bain on the season:

Everyone who follows and supports Karori cricket is thrilled by yesterday's wonderful win over Easts in the three day final.

This victory gave Karori's Pearce Cup team a deserved "three in a row" in 2010/11- the Twenty/20, the Limited Overs and now the Two Day title. This is the first time a Pearce Cup team has accomplished this feat.

Karori's win over Easts had a "battle of the titans" ring about it, and came after two previous unsuccessful attempts versus Easts. Three consecutive days of cricket in Wellington, in April!!

It was Karori's first Wellington senior championship win in some twenty four years.

Simon Baker as captain, Glenn Pocknall as coach, and the whole squad thoroughly deserve our congratulations on a very convincing, season-long campaign. The winning team yesterday was: Simon Baker, Neil Martin, Stef Allan, Marc Ellison, Chris Spring, Hamish Templeton, Tom Blundell, Lee Edwards, Jarred Sewell, Fraser Quarterman, Charlie Gallagher, and Jules Balasingam.

There were a number of notable performances in this match that are summarized in this morning's kcc website item. The standout features were the number of solid partnerships and excellent fielding by Karori. The attitude of the team was also excellent – a realistic, steadfast, ethical and clinical approach that did not waver.

Karori last won the Wellington senior championship in 1987, having previously won in 1948, 1951, 1957, 1958, 1962, 1976, 1981 and 1986.

- T/20 review:

To win the T20 title was one of our goals at the start of the season so to do it so emphatically by beating Norths easily was just reward for the hard work and smart strategizing done by us throughout this campaign. This format the results tends to go down to the wire in most games so it's the team or players that hold their nerve the best in these tense situations that often come out on top.

One important aspect is extras. With most games being so close it's important to be disciplined in this area, especially no balls, which I'm pleased to say we bowled none.

We hit one speed bump against Collegians but reflected and learnt quickly about how to approach the remaining three games over that weekend and we showed our class more and more as the games went on. We batted positively and had single options and this provided us with the momentum we needed. Another important aspect of T20 is fielding and this was a real highlight of our game in this format. If you can take all your catches and save runs in the field through athleticism, speed, and accuracy you give yourself a better chance of coming out on top at the end.

- **One-day review:**

We had a first up narrow loss to a Naenae Old Boys with Grant Elliot and Jesse Ryder providing the inspiration for them in a very tight and tense game. This immediately put us on the back foot if we were to retain our one day title that we had won the previous season. This game proved a mere blip and we went through the rest of the round beating every team and winning comprehensively. We went into the last round robin game against Eastern Suburbs having already booked our place in the final and as top qualifier; we went onto beat them in convincing fashion.

We were scheduled to meet Hutt Districts in the final. Unfortunately the weather didn't play its part and the game was abandoned without a ball being bowled. Since we qualified top this meant we retain our one-day title and get to defend our National one day title in Auckland in April.

- **Two-day review:**

We completely outplayed our opposition in the two day format and achieved the most points out of all the teams, like we did in the other two formats (T/20 and One dayers). The first two dayer we played we had a narrow loss to Naenae, this game was played in pretty poor conditions and both teams were keen to play to try to get a result. From this game onwards we continued to get better and better and with this come some pretty comprehensive victories. Bowling out Hutt for 28 and Taita for 49 are two examples of some pretty awesome bowling and fielding performances from us. We were at our peak come the Pearce Cup final and we again played to our potential and won the cup!

- **National Club Championship review:**

Karori travelled to Auckland as defending National Champions and on the back of three days cricket in a row where they beat Eastern Suburbs in the Wellington Pearce Cup final. This meant the squad had nine full days of cricket in a row from 2 April 2011 to 10 April. The tournament hosted and run by the Cornwall Cricket Club includes the champions from each major Association and the lineup this year incorporated the following teams:

Auckland – Howick Pakuranga

Canterbury – East Christchurch Shirley

Central Districts – New Plymouth Marist

Northern Districts – Mount Maunganui

Otago – University-Grange

Wellington – Karori

For Karori nine days in a row proved a tough ask mentally and physically and we ended up finishing 5th meaning we are the fifth best one day club side in the country.

DAY 1:

(20 over match) **New Plymouth Marist United** (Central Districts) 118/5 (D Robinson 31) defeated **Karori** (Wellington) 107 (M Ander 3-25) by 11 runs.

Central Districts' New Plymouth Marist United claimed an all important three points in an opening 11 run victory over defending championship Karori from Wellington. Marist United, who won the toss and elected to bat first, battled through to post a competitive 118/5 after 20.1 overs. Karori's run chase faltered early as they lost their two openers for just 19. The defending championships struggled to build momentum against a Marist United bowling attack spearheaded by Matthew Ander (3-25) and were eventually all out for 107.

Day 2:

Karori (Wellington) **317/8** (L Edwards 116, R Blundell 57, J Sewell 39*, H Templeton 30, J Hynes 3-43, M Patel 3-49) tied with **University Grange** (Otago) **317** (C McMeeken 66, J Simpson 47, M Rutherford 46, M Patel 32, J Bishop 31)

Wellington's Karori and Otago's University Grange shared points on day two in a thrilling last ball tie on Cornwall Park 2. Karori, who elected to bat first, again lost their openers cheaply and the Wellington side looked in trouble at 141/7 as Jason Hynes and Mayank Patel picked up three wickets apiece for University Grange. But a superb 149 run 8th wicket partnership from Lee Edwards (116) and Jarred Sewell (39*) helped turn the innings in Karori's favour. Edwards, with Sewell in support, blazed 116 from 77 balls including 11 x 4's and 6 x 6's to lead Karori to a very defendable 317/8. In reply University Grange's Ciaran McMeeken (66), Jesse Simpson (47) and Mitch Rutherford (46) helped put the Otago side into a position to make a late charge and with some big hitting from Mayank Patel and James Bishop the Otago side needed 16 runs from the last over to claim victory. A Jamie Mountier hit six off the penultimate ball had the game tied but the number 11 batsman could not repeat the heroics and was caught off the last delivery of the day.

Day 3:

(48 overs) **Karori** (Wellington) **288** (H Templeton 117, T Blundell 79) defeated **Mt Maunganui** (Northern Districts) **180** (M Divehall 57, P Drysdale 40, C McLean 4-39) by 43 runs (Target 223 from 34 overs)

The feature of the day on ground number three was an outstanding 117 by Hamish Templeton for Karori against Mt Maunganui. With his side off to an awful start at 28 for 4, Templeton blazed 18 fours and 3 sixes. He was ably supported by Tom Blundell who chimed in with 79 and helped Karori reach 288 all out in 47.5 overs. In response Mt Maunganui got off to a good start with Pete Drysdale (40) and Mark Divehall (57) but once they were dismissed the rest of the batting line up struggled, eventually succumbing for 180 and falling 43 runs short of their revised target of 223 from 34 overs. Charlie McLean was the star with the ball for Karori with 4 for 39.

Day 4:
